

Call for Posters + Abstracts

Abstract Guidelines

Abstracts for digital publishing on-site and on the conference app should be a maximum of 500 words. The deadline for abstract submission is August 30, 2023. Figures and photos are not to be included in the abstract but may be included in the associated poster submission. **Abstracts must be uploaded via the submission tab on the Maui Derm NP+PA Fall 2023 website (mauiderm.com).** Encore presentations are accepted.

Note: The 500 word count does not include authors, titles, affiliations, disclosures, references, etc.

Poster Guidelines

The deadline for submitting a poster is August 30, 2023. **A PDF of the poster must be uploaded via the submission tab on the Maui Derm NP+PA Fall 2022 website (mauiderm.com).** Encore presentations are accepted.

Please note:

Due to the number of poster submissions and the space constraints at the venue, MauiDerm will have all posters and abstracts available to all participants on the conference app and virtual platform. Please **DO NOT PRINT YOUR POSTER** for display.

All abstracts and posters will be presented digitally, so please provide your content as a single-page PDF. Although a document of any dimensions will display, we strongly recommend optimizing your poster for viewing on an iPad in landscape (horizontal) orientation.

AVOIDANCE OF COMMERCIALISM

Any exhibit, of which the cost is underwritten to any extent by a pharmaceutical company or other commercial enterprise, must avoid commercialism. Trade names must not be used for drugs, devices and/or instrumentation including lasers. In addition, such an exhibit should include a clear but inconspicuous acknowledgment stating that a portion of its cost was underwritten and identify the particular commercial company involved. No advertising matter of any kind may be distributed nor will any material display which, in any way, directly promotes the commercial interest of any particular company, enterprise, or the exhibitor be permitted. Any medications or other substances, devices or equipment referred to in exhibit materials must be identified by their scientific names.

Note: Sponsorship or funding by a commercial enterprise must be noted in the lower right hand corner of the exhibit. Failure to do so will result in the exhibit being taken down.
