Abstract Guidelines

Abstracts should be a maximum of 500 words. The authors names and associations are not included in the 500 word count. Encore presentations and QR codes will be accepted. The deadline for abstract submission is December 1, 2023. **Abstracts must be uploaded via the submission tab on the Maui Derm website (mauiderm.com).**

Poster Guidelines

If you are interested in submitting a PDF of the poster it must be uploaded in conjunction with the abstract. The deadline for submitting a request to exhibit a poster is December 1, 2023. **A PDF of the poster must be uploaded via the submission tab on the Maui Derm website (mauiderm.com).** Encore presentations are accepted. There is no limit on the number of abstracts and posters a company may submit.

Due to the number of poster submissions and the space constraints at the venue, MauiDerm will have all posters available for viewing via the conference app. Please **DO NOT PRINT YOUR POSTER** for display. All posters will be presented digitally, so please provide your content as a single-page PDF. Although a document of any dimensions will display, we strongly recommend optimizing your poster for viewing on an iPad in landscape (horizontal) orientation. The author is not required to be registered for the conference and there is not an opportunity for an oral presentation.
