

## Call for Posters + Abstracts

### Abstract Guidelines

Abstracts for digital publishing on the conference app should be a maximum of 500 words. This does not include author, title and references. The deadline for abstract submission is May 22, 2025. Figures, photos and QR codes are not to be included in the abstract but may be included in the associated poster submission. **Abstracts must be uploaded via the submission tab on the Maui Derm NP+PA Summer 2025 website (mauiderm.com).** Encore presentations are accepted.

### Poster Guidelines

The deadline for submitting a poster is May 22, 2025. **A PDF of the poster must be uploaded via the submission tab on the Maui Derm NP+PA Summer 2025 website (mauiderm.com).** Encore presentations are accepted.

Due to the number of poster submissions and the space constraints at the venue, Maui Derm will have all posters and abstracts available for viewing on the conference app. Please **DO NOT PRINT YOUR POSTER** for display. All posters will be presented digitally, so please provide your content as a single-page PDF (format as 16:9 - 13.33x7.5"). Although a document of any dimensions will display, we strongly recommend optimizing your poster for viewing on an iPad in landscape (horizontal) orientation.

### AVOIDANCE OF COMMERCIALISM

Any exhibit, of which the cost is underwritten to any extent by a pharmaceutical company or other commercial enterprise, must avoid commercialism. Trade names must not be used for drugs, devices and/or instrumentation including lasers. In addition, such an exhibit should include a clear but inconspicuous acknowledgment stating that a portion of its cost was underwritten and identify the particular commercial company involved. No advertising matter of any kind may be distributed nor will any material display which, in any way, directly promotes the commercial interest of any particular company, enterprise, or the exhibitor be permitted. Any medications or other substances, devices or equipment referred to in exhibit materials must be identified by their scientific names.

*Note: Sponsorship or funding by a commercial enterprise must be noted in the lower right hand corner of the exhibit. Failure to do so will result in the exhibit being taken down.*
